## From Dent's Desk . . .

WE'VE STARTED to climb the ladder labelled British League by first beating Glasgow round their own back yard and then whipping back to Belle Vue to take match points from Kings Lynn.

As Cyril has it: "We're aiming for the top and given a fair crack of the whip, are going to worry a heck of a lot of teams this season."

Eleven point Tommy topped the team score board at Glasgow. He received match winning support from Cyril (9), Soren (9) and Sandor (8). Norman turned in four points to make us just too good for Glasgow.

O.K., so brilliant Terry Betts was the individual man of Saturday's match here. Terry was terrific: six starts, 18 points. But Belle Vue as a team were better, and that's the way we want it.

Next week, Long Eaton spearheaded by teenage fireball, Ray Wilson, who has been added to the short list for the Speedway Internationale at

Wimbledon, come to town. Currently eighth in the British League rankings, Wilson, with an average of 10.21, surprisingly took the Silver Sash Match Race Championship from world title holder Barry Briggs earlier this month.

Long Eaton are certainly a lively looking line-up, what with Laplander Anders Michanek, piling up the points. It will be a tough test, one that I know you'll find worth watching.

See you at the Speedway.

## World Speedway Championship

### Sponsored by the Sunday Mirror

**S**IXTEEN RIDERS, from 101 British entrants, go out to race tonight with their eyes firmly fixed on the £1,000 bonanza that awaits the man who wins the World Crown, at Wembley on September 16.

The world champion won £500 last year. Now the Sunday Mirror have doubled their top prize—the highest individual award in motor-cycle sport. Second man receives £250, the third £100.

The Sunday Mirror also pay £200, £100, and £50 to the first three men in the British Final, to be decided at West Ham, on August 15.

Before a rider can stretch out his hands for these pots of gold, he will have to battle through these preliminary rounds, and qualify as one of the 32 semi-finalists at Wimbledon and Sheffield, on July 13.

From the two semi-finals 16 leading points scorers go forward to the British Final, where the six highest qualify for Wembley.

Continental rivals also compete for ten places at Wembley. Sixteen qualify for the European Final at Wroclaw, Poland, on August 27.

Eight from this meeting come back in the Nordic Final (involving riders from Denmark, Finland, Norway and Sweden), scheduled for Denmark, on June 4.

The other eight competitors come from the Continental Final (involving all other European countries) at Kempton, West Germany, on August 20.

The after-the-Meeting Dance is in the  
"Windermere" Suite tonight.

A DECIDER WILL BE RUN IF NECESSARY

Presentation of the Sunday Mirror Plaque by Speedway Manager Dent Oliver.  
PATRONS ARE WELCOME IN THE GARDENS AFTER THE MEETING

## BITS AND PIECES . . .

Robert Long is only 14, but he is bored with the Belle Vue war-cry. Writes Robert, of Gt. Western Street, Rusholme:

"Every time my friends and I come to Speedway, which is most Saturdays, you always say the same slogan—'Two, four, six, eight, etc.'"

Well, we thought it would be nice to have a change. Here's a suggestion—

*Oh, his name is Cyril Maidment, he's the captain of the team,*

*The finest Speedway team, the world has ever seen,*

*Their name is Belle Vue Aces . . . the boys that ride in red,*

*And when we win the league this year, remember what we said.*

Sung to the tune of McNamara's Band, we thought of this after hearing some football fans singing."

—oOo—

Master David Normington, of Haughton Green Road, Haughton Green, is much much younger. At three and a half, he's a veteran, having attended Speedway meetings for almost three years. Recently David was introduced to Cyril. His parents write:

"The wonderful way in which Cyril Maidment acknowledged a little boy's worship of him, has made him very very happy.

He met Cyril on Thursday night, for the first time, at the Sheffield meeting and Cyril talked to him and took him into the enclosure. He made such an impression on David that he bought, with his own money, a little gift for Cyril. Later David was given the opportunity of presenting this to Cyril.

I am sure you will understand the pleasure this has brought to David. We both wish to thank Cyril and everyone at Belle Vue for a wonderful sport, which all our family (including grandparents) will enjoy for many years to come."

—oOo—

Sandor's inconsistent showings this season are concerning David Moore, of York Avenue, Whalley Range. Writes Mr. Moore:

"I have watched the 'Aces' in all their home matches this season and in the away matches at Halifax and Sheffield. The one sad factor that has

arisen from these matches is the performances of Sandor Levai.

This rider has undoubted skill and guts, but seems to be dogged with bad luck with his machine. Although I am far from being an authority on bikes, surely something can be done to help Sandor, as his bike seems in a terrible state.

—oOo—

In the match against Poole, this was obvious. He was tremendous on each of the bends, but when it came to the straights, he was left standing. Can the club not help him out? Surely the money outlay on even a new bike would be compensated with match points he would pick up. Or is it up to the rider himself to provide his own equipment?

However, I must congratulate you on the way you have blooded in John Woodcock and Peter Thompson. These are two second stringers to be proud of. Not forgetting brave Dave Hardy, who, in my opinion, could become a really great rider.

I was interested to read your comments in the Wimbledon home programme about the away visit to Halifax and must endorse your views that it was a complete farce. Never have I been so proud of the lads for never giving up in spite of the overwhelming odds—after seeing that match it really makes you appreciate the way the evening is conducted at Belle Vue.

### CYRIL MAIDMENT

"We're aiming for the top."

Your views on Sandor's bike would be very much appreciated."

The Supporters' Club have generously bought Sandor a spanking new ESO race bike. You saw how it suited his spectacular style last Saturday.

—oOo—

John Phophett of John Street, Crewe, went to Newport a couple of weeks back to see the Aces. Or so he hoped. Unfortunately, the meeting had been re-arranged and Poole were there instead.

Writes Mr. Phophett:

"I was surprised as even the Friday morning papers stated that the Aces were there. I saw other Aces fans who also thought the Aces were there.

How on earth Newport topped the league, I don't know. They were without their star riders, but so were Poole, who won 41-37, and Newport used all their tactical substitutes. I feel certain the Aces could have won this match easily."

Tonight's top 20 tunes come to you through the courtesy of Neild and Hardy, the Stockport music house, who are always first with the pop tops.

We would be grateful if spectators on the popular side would help us in stopping children from crossing the track towards the end of the meeting until all riders taking part in the last event on the programme have had time to reach the pits. Then, and only then, is racing really over. We know that fans of all ages like to tour the vast Belle Vue amusement park after the match, and that a short-cut over the safety fence can be very tempting . . . especially to young visitors. But it is extremely dangerous. For speedway bikes are not equipped with brakes. So, please do not cross the track UNTIL ALL RIDERS HAVE REACHED THE PITS.
