# WELCOME

by  
**John Adams**  
**President Mildura and District Motor Cycle Club**

Tonight I would like to welcome all our local supporters and interstate visitors to Olympic Park Speedway, Mildura, Australia's number one motorcycle Speedway.

I'm sure you are about to see a really first class meeting with the top 16 riders vying for the honour of Australian number one rider.

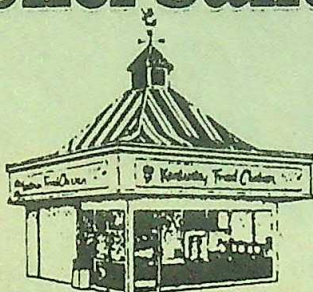

The meeting is sure to be keenly fought out with all riders giving their utmost.

Not only are they out to become Australian Champion, but also to further their progress in the fight for World Championship honours, as this meeting also incorporates the Australian Qualifying Final of the World Championships.

Not only is it the first time the Australian Championship has been staged outside a metropolitan area, but also the first time the two meetings have been combined and we at Mildura and District Motor Cycle Club are very proud to have been allocated this most prestigious meeting.

"IT'S FINGER LICKIN GOOD"

The program tonight is a little different to our usual style. This has been done in an effort to make it easier for you to keep up with the individual scores.

How competitors progress to the World Final is shown on page 23 of your programme.

To the riders themselves, I wish each and everyone the best of luck and hope the events will remain free from incidents of any kind.

To all those people and trade-houses who purchased our Gold Passes, I can only say thank you as it is through your generous support that this club can present this meeting tonight.

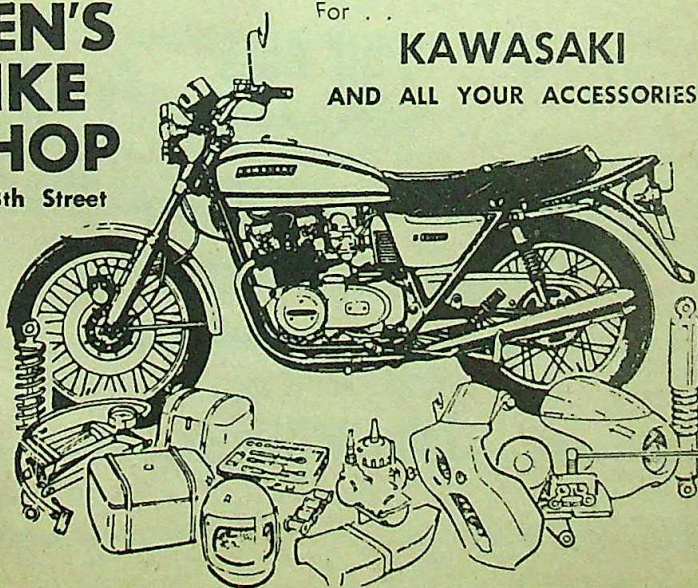

Finally, I would also like to publicly thank all the members of the Mildura and District Motor Cycle Club who have put in so much time and effort over the past six months or so to ensure the success of their meeting.
